

"ABOUT ME" PHOTO COLLAGE

Directions: Using the features we learned in class, use Microsoft Publisher to create a photo collage of things that describe you. The only text that needs to be used is for your name and one quote that you like. Everything else should be pictures.

Requirements:

1. change the page size to – Width: 5.5" and Height: 4.25"
2. all margins = 0.2"
3. minimum of 10 pictures, max of 15
4. your name in a text box (do not use WordArt)
5. a quote in a text box (separate from your name)

Use Word to remove any extra white background space from pictures

Save as: **About Me Collage**
